Welcome ■■■■■■■■■■■■

Welcome to the 9th Edition of the Genius of Warren Buffett Course held in the state of the art building and Executive MBA classroom at the University of Nebraska at Omaha. The program has come full circle since this is the home of Warren Buffett's early investing classes that he taught to local residents. In addition, Mammel Hall is a very special place built by the kind donations of early Berkshire Hathaway shareholders and one of its first employees.

**Sincerely,
Robert P. Miles, Adjunct Faculty, University
of Nebraska at Omaha, College of Business
Administration, Executive MBA program, Genius
of Warren Buffett, Donor, GOB Investment Fund**

On behalf of the faculty, staff and students of the University of Nebraska at Omaha College of Business Administration, welcome to Mammel Hall.

The mix of Lifelong Learners, professionals already engaged in earning their Executive MBA degrees and the distinguished lineup of guest speakers brings a unique and valuable learning experience for all involved.

I am looking forward to personally welcoming you to our campus, and learning along with you as together we study the genius of Omaha's most famous resident.

**Sincerely,
Louis G. Pol, Ph. D.
John Becker Dean of Business Administration**
